## Funky Picnic to Host Smoke ‘Em Out Homebrew Competition

*Funky Picnic Brewery & Café and TexMalt team up to create a first-of-its-kind all smoked beer competition*

**FORT WORTH, July 18, 2022** - Funky Picnic Brewery & Café, along with co-sponsor TexMalt, is announcing the first annual Smoke ‘Em Out Homebrew Competition, the first ever all smoked beer competition of its kind. This competition highlights all things smoky, including traditional smoked beer styles like Rauchbier and Lichtenhainer, but also allows participants to get creative with open-ended freestyle categories as well. Participants will receive up to 5 lbs. of smoked San Jacinto 2-Row Heritage Malt from TexMalt to design their brewing recipes around. A well-made smoked beer provides a balance between beer and smoke. There needs to be enough smoke to enjoy the subtle nuances in the flavor and aroma of the wood used, yet light enough to tell that there is a beer behind all that smoke.

Online registration is open now through August 28<sup>th</sup>. Entries will be judged by experienced brewers, beer judges, maltsters, and all-around smoked beer enthusiasts. Winners will be selected for 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> place awards based on technical style categories, as well as a Brewer’s Choice award that will be brewed at Funky Picnic and placed on the tap wall.
